PROFILE

Sara and her husband (newlyweds!) moved to Raleigh from Maine in February of 2020 to start their family. This was just in time for Raleigh Coaching to scoop Sara up and offer her the position of Executive Assistant. Since then she has become an integral member of the executive leadership team.

Sara has over 12 years of experience in Marketing and Customer Service, a passion for connecting deeply with others, and the ability to plan & strategize like a boss! She provides a fresh, yet fun perspective in all she does. Sara makes sure that all team members and clients have the information and guidance they need while ensuring everything maintains the Raleigh Coaching 'touch'.

Sara is dedicated and diligent in her effort to meet the ever-growing demands of her role. She even attended RCA's Authentic Leadership Coaching Certification as a way to better understand and support colleagues and clients.
